

OUTSTANDING TEACHER PROGRAMME

The Olevi Outstanding Teacher Programme (OTP) is nationally recognised and quality assured. It equips delegates with a range of best practice techniques in teaching and learning.

The programme focuses on a wide range of areas including questioning, assessment and differentiation with opportunities to develop and share best practice with colleagues and apply techniques in school.

A recent external evaluation of this programme, reports that participants become much more reflective about their teaching and aware of how to make their lessons consistently outstanding.

Most participants find the coaching element a highlight, enabling them to understand the importance of the relationship between 'outstanding teaching' and 'professional coaching'.

Successful participants have achieved more formal recognition in the form of Excellent Teacher Status and Specialist Leader of Education (SLE) accreditation.

The OTP Programme is facilitated by fully qualified trainers.
