We keep our bus services under regular review, and make changes to ensure that they work as efficiently as possible. As a result of this we are renumbering the former 823 to 306A. The new 306A will follow the existing 306 in Borehamwood which will provide both routes with common sections.

South Borehamwood & Well End will no longer be served. TfL routes 107 & 292 offer a frequent service over the section between Tesco's & South Borehamwood. There will be no increase in fares this year. Your new timetable is overleaf.
