We keep our bus services under regular review, and make changes to ensure that they work as efficiently as possible.

As a result of this we are renumbering the second 833 to 832 and diverting this new route via Watford Town Centre & Leavesden. This will replace the projected journey on route 306. This is the same combined route as that operated during the Covid Pandemic.

Both buses will start from Hayling Road at the same time and serve South Oxhey as previously. The new 832 will divert at Bushey Arches to serve Watford & Leavesden. There will be no increase in fares this year. Your new timetable is overleaf.
